“Dr. Sunam Gyamtso Tenzin”

Sri Sathya Sai Student; Musician/composer; Academic; Leader of numerous youth/women community programs

Kobe Art Center Building – Shuman Hall - 11th and 12th October 2014, Kobe

“Devotional singing (bhajans) is one of the processes by which you can train the mind to expand into eternal values. Teach the mind to revel in the glory and majesty of God; wean it away from petty horizons of pleasure . . . Devotional singing induces in you a desire for experiencing the truth, to glimpse the beauty that is God, to taste the bliss that is the Self. It encourages man to dive into himself and be genuinely his real Self.”

- Sri Sathya Sai Baba

Aum Sri Sai Ram,

The best way to introduce Dr. Sunam Tenzin is as a "SATHYA SAI STUDENT". Being under the physical and direct mentoring of the Avatar of the age, Bhagawan Sri Sathya Sai Baba, Dr. Sunam has been blessed with many Divine interactions from childhood, having been 'called' into the Divine physical fold in the 1970s. Being musically blessed, he has been inspired to 'receive' many bhajans which have become part of regular worship in the Sai fraternity. He was chosen to be instrumental in composing the music for many of the plays and dramas that Bhagawan wrote and directed for the students. Sunam's commitment and dedication to Bhagawan is reflected in his life and work.
