Cordially request your company to  
Listen to the inspiring speech by Professor Ruchir Desai

***“Love is the Source, Love is the Path, Love is the Goal”***

**1<sup>st</sup> Nov 2014, at Osaka Sai Center & 2<sup>th</sup> Nov 2014, at Kobe, ISS Hall**

*“Selfless love is the source of happiness, truth, peace, sacrifice, endurance and all the higher values of life. There is no security and safety without 'Prema', the absolute, unalloyed form of love. Love is the most fundamental moral value. Love lives by giving and forgiving; self lives by getting and forgetting. Love can never entertain the idea of revenge, for it sees all others as oneself. When the teeth hurt the tongue, do you seek vengeance against the wrongdoer? No, for they both belong to you and are integral parts of your body. So too, when someone insults you or inflicts pain, allow your wisdom to guide you.”*

**- Sri Sathya Sai Baba**
