

9th Sathya Sai National Sadhana Camp Bhakti-Love for God and Devotion

~ SAI • SAI • SAI ~

Humble Pranams at the Divine Lotus Feet.

We are happy and deeply grateful to announce, the 9th Sathya Sai National Sadhana Camp will be held under Sai's Divine Grace.

Merciful Lord has been continuously showering us with His Divine Grace, by allowing us Japanese devotees to chant Vedam for the first time at His Divine Presence last year and this year in May, by giving us the honor of celebrating the glory of Sai Buddha. This indicates that it is a time of great opportunity for deepening our love for SAI. This 9th National Sadhana Camp is taking place at this Golden period, which is truly Swami's Divine Lila. Where devotees gather who set their minds and hearts to Him, His presence is assured. We can deeply imbibe in His Love and feel the immense depth of the spirituality. That is possible only through experiences within Divine Love, and cannot be gotten neither by reading books nor listening to people's talks. During the 3 days being away from the worldly, in the divine atmosphere of Amagisansou, solely absorbed in the Divine, something beautiful may start spouting in your heart. We heartily welcome all for this golden opportunity which Swami has granted us.
