“SRI SATHYA SAI PREMA AMRITA”

THE UNDERLYING PHILOSOPHY

The Sai educational institutions have been established not merely to enable students to earn a living but to make them acquire good traits, lead ideal lives, and give them ethical, moral and spiritual strength. I have established them with a view to inculcate love and teach good qualities to students. They will learn here humility, discipline and faith. I have established these institutions to impart spiritual education as a main component and worldly education as a secondary one. This Institute will be a temple of learning where youth are shaped into self-reliant, contented and enterprising heroes of action and self-sacrifice, for the purpose of serving humanity.

Sri Sathya Sai Baba,
Revered Founder Chancellor

“God is love and can be won only through the cultivation and exercise of Love. He cannot be trapped by any trick; He yields Grace only when His commands are followed – command to love all, serve all. Love is God, God is love. Live with Love, move with Love, speak with Love, think with Love, act with Love – this is the most fruitful Sadhana. Love is the core of Atma. Love is selflessness. Love brings people together. Love is the solvent for hardest hearts. Love is the strongest antidote for greed. Love will destroy the roots of ego. – Sri Sathya Sai Baba

Aum Sri Sai Ram,
