Bhagawan Sri Sathya Sai Baba's 90th Birthday Celebrations*

“Love is the source, the path, the goal”

• Monday, 23rd November 2015, Kobe •

“Love is life for man and love is everything in this world. It is love that shines brilliantly in every individual. But man, not being able to comprehend the significance of love attributes physical relationship to it. The love of a mother towards her child is affection. The love that exists between wife and husband is infatuation. The love that exists among friends and relations is attachment. The love towards material objects is desire. Love in totality, directed towards God is known as devotion.” – **Sri Sathya Sai Baba**
