

SRI SATHYA SAI CENTERS OF KANSAI

Cordially request your gracious presence on Sunday, 24th April 2016 in Kobe

“Sri Sathya Sai Baba’s Mahasamadhi Day”

*This body is a den of dirt and prone to diseases;
It is subject to change from time to time;
It cannot cross the ocean of Samsara.
It is nothing but a structure of bones.
O mind, do not be under the delusion that body is permanent.
Instead, take refuge at the Divine Lotus Feet.*

The first step on the spiritual path is to contain body consciousness. You are subjected to misery and suffering because you are immersed in body consciousness. Gradually give up body attachment and develop Atmic consciousness. Atma alone is true and eternal. Atma is our life. Everything else is a passing cloud.
